CAREER OBJECTIVE

Having spent my life in New York's Jewish community, I have used my time to bring visually aesthetic, responsive, and accessible websites to my community. After cutting my teeth at Spherical, I have a proven history of a strong ethics and passion for web design. Excited to pursue new companies to grow my skills while facilitating the empowerment and vocalization of marginalized communities.

EDUCATION

B.S.

Computer Science

Yeshiva University

📅 September 2015 - June 2019

New York, NY

🎓 GPA: 3.7

WORK EXPERIENCE

Web Developer

Spherical

📅 June 2019 - current

📍 New York, NY

- Monitored, created, and populated QA sheets with designer and project manager
- Engaged in 100+ hours of WordPress training and PHP crash course with lead designer
- Collaborated with designers and marketing team on designing updates to site and blogs, improving user experience by 40%
- Briefed development team on website research, and made suggestions for website builds/products.
- Participated in stand-ups 2 times a month, where team leaders would review, assign, and coach team members.
